MISTOOK MEAT SHIP FLAG FOR ROYAL STANDARD

Good Story Told on American Naval Officer—Blue Bull on White Background.

(International News Service.) London, July 12.—How an American naval officer, new to British waters, mistook a meat ship flag for the royal standard forms the subject of a good story told at the naval exhibition by Sir Eric Goddard, first lord of the admiralty. The American had just boarded the flagship of an admiral, and remarked to Admiral Beatty, of the British navy: "That is the first time I've seen the royal standard flying on the grand fleet."

"Where?" asked Admiral Beatty. "That is impossible."

For answer the American pointed to a flag with a white background with a blue bull on it, denoting that the ship was a meat carrier.

DANGEROUS ALIENS HELD PENDING INTERNMENT

Trans-Atlantic Trust Company Taken Over by Alien Property Custodian.

(International News Service.) New York, July 12.—Julius Pinitzer, president of the Transatlantic Trust company, new to the office of the banking institution, who were arrested as dangerous enemy aliens, are being held here today pending formal notice of internment.

It was learned today that the trust company was taken over by Alien Property Custodian A. Mitchell Palmer several weeks ago and that since that time it has been reorganized. It was stated that the arrest of the former bank officials had nothing to do with the government taking over the institution, but was the result of investigations by the department of justice and other federal authorities.

Mrs. Burns' Letter.
 Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 12, 1916. "I used a bottle of Chamberlain's Cough and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Cough and Diarrhoea Remedy to dozens of people since I first used it." (Adv.)
